Technical Skills

- Python: NumPy, PyTorch, Matplotlib
- C/C++, STM32 fundamentals; MATLAB
- Linux/Ubuntu, Debian, Shell, Git

Research Focus

- Reinforcement Learning and World Models
- Causal Representation Learning and Intelligent Control

Interests

Education

Tsinghua University	2025 – Present
Department of Automation – General Artificial Intelligence Track, Zidong Student Personalized Education Program	
Tsinghua University	2024 – 2025
School of Economics and Management – Economics and Finance, Beijing, China	
The Ohio State University	2022 – 2024
Mathematics, College of Arts and Sciences, Columbus, OH, USA	
The High School Affiliated to Renmin University of China	2016 – 2022
Junior and Senior High School, Beijing, China	

Research Experience

Causal World Model Research	2026 – Present
Literature Review and PyTorch Experiments	
Surveying NeurIPS and ICML research on causal inference and reinforcement learning; implementing DreamerV2-style baselines in CartPole and MiniGrid; and exploring causal constraints for OOD generalization and interpretability.	

Student Leadership & Service

Director, Academic Development and Innovation Department	2026 – Present
Student Association for Science and Technology, Department of Automation	
Previously served as a Member from 2025 to 2026.	
Youth League Branch Secretary, Automation Class 44	2025 – 2026
Department of Automation, Tsinghua University	
Staff Member, Student Leadership Management Group	2025 – 2026
Organization Department, CCYL Tsinghua University Committee	
Staff Member, Organization Groups	2025 – 2026

Served in the Department of Automation organization group and previously in the School of Economics and Management organization group in 2025.	

Honors & Awards

A-Level Evaluation, Tsinghua University Student Social Practice Team (Team Leader)	2026
Tsinghua University Outstanding Communist Youth League Member	2025
Honors Student, University Honors Program, The Ohio State University	2024
Third Prize (Beijing), National High School Mathematics League	2021
Bronze Medal (Individual) and First Place (Team), China Girl's Mathematical Olympiad (CGMO) – Beijing Team	2020
4th Place, Beijing Girls' Mathematics Invitational	2020
Second Prize (Beijing Second Round), Chinese Physics Olympiad (CPhO)	2019
6th Place, Beijing Girls' Mathematics Invitational	2019

Extracurricular Activities

Team Leader, “Qing-Min Zhi-Hang” Social Practice Team	2026
Department of Automation, Tsinghua University	
Organized and led field research in Fujian on grassroots applications of automation technologies.	
Member, Women's Football Team	2025 – Present
Department of Automation, Tsinghua University	
Reached the quarterfinals of the women's football tournament in the Tsinghua University Ma Yuehan Cup.	
Orientation Volunteer	2025
Department of Automation, Tsinghua University	
Supported incoming students during registration and orientation.
